

Seventh Annual

Unlocking the Mystery of Lupus

**A free
community forum**

Lupus is a serious
chronic disease.

Common symptoms
include painful joints,
fever, skin rashes and
extreme fatigue.

We thank our partners:

Daughters of Comfort Health Ministry; Lew
Offices of Donald E. Green, P.C.; Massachusetts
Department of Public Health, New England
Baptist Hospital Arthritis and Lupus Group;
Office on Women's Health, US D-4-H-S; and
Women of Courage.
